As a PTO membership benefit, the Fredstrom PTO provides a copy of the Fredstrom Student Directory to members every year. The information used in the directory will be based on the census data form you submit to Lincoln Public Schools at the beginning of the school year, whether you join the PTO or not. The following information will be listed in the directory.

- Student First/Last Name
- Grade
- Parent/Guardian First/Last Name
- Address
- Primary Phone Number

Please note: If you **do not wish to be included** in the directory, see page 39 in the *Important information Book* on the Fredstrom website to follow the district process for opting out of the release of public information.
